

TOWN OF PARADISE

# Fire Prevention Defensible Space/Hazardous Fuel Management Program Update

*Camp Fire Recovery Updates – August 11, 2026*

# Current Compliance Results

*Defensible Space & Hazardous Fuel Management — July 2026*

# 86%

**Parcels Compliant**

*2026 Season*

*of 11,247 parcels inspected*

# 83%

**Parcels Compliant**

*2025 Season*

▲ **+3 pts year-over-year**

## What This Means

- Continued strong community participation in wildfire mitigation
- Performance consistent with prior year — program holding compliance gains

86% compliance this season vs. 83% in the same period last year. The Town's Fire Prevention program continues to demonstrate measurable, sustained progress in wildfire risk reduction across all 11,247 community parcels.

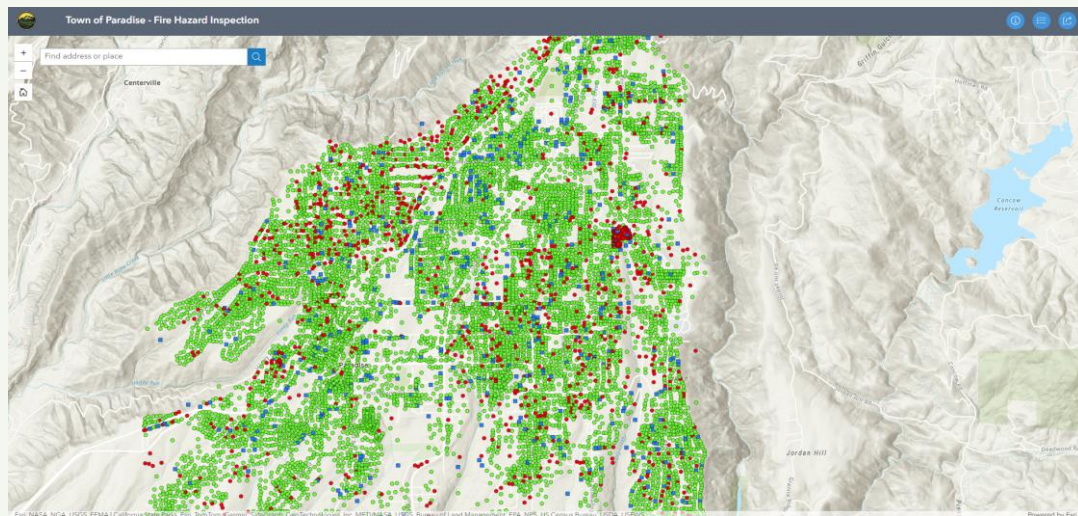

**Issued 159 Defensible Space Clearances, including 40 developed residential properties.**

# Know Your Parcel's Status

*Interactive Vegetation Management Map — Available Online*

Fire hazard inspection status for every parcel in Paradise can be viewed on the Town's interactive map. Check your status anytime.
